"General Eaton, reportedly on General Sitton's instructions, has had prepared a fact sheet on our various projects for the purpose of briefing the new Secretary of Defense. This paper is to be given to Andrew Marshal as a channel to the new secretary.

I have told General Eaton's Action Officer Captain Carr that we do not concur in this. I have told Carr that this is a matter which should be brought before the Steering Panel which meets next Wednesday (Duckett will attend). This should be a Steering Panel decision and not a unilateral action by the O/JCS people. NSA and DIA agree although I am not aware of what action they are taking nor how effective it will be.

It would help, if you have the time, to call General Sitton and get him to relax. I am not at all sure that Marshal is the channel to use to the new secretary nor how many people will see the fact sheet who shouldn't if Marshal tries to run the ball.

FOR THE RECORD

A Mr. Joey SHANAHAN, Langley High School, called about inviting the General to speak at graduation ceremonies for Langly High at Wolf Trap Farm on 5 June 75 at 8 p.m.

Told him I would call back.

-----  
On 5 March Joey Shanahan called and I told him it would be better if he would write a letter to the General inviting him to speak. I also asked him a few questions:

He is the President of the graduating class and in that capacity he wanted to know how to go about inviting the General to speak; the General will be the only invited speaker (others will be the class president and/or members of the school); there are about 540 in the graduating class.

He is going to write the letter today. I gave him the address of CIA.

Telephone:

Dottie

NOTE: DDCI received letter from above on 7 March 75 -- I asked him if there were any specific topics that he wanted to speak on (no was the answer).

I called the operator later and explained I was new and made a mistake. She called back and said it was now an official call, however, the telephone company might bill his home number. To watch for it. [redacted] should be billed.

Col O'Neill is the Chairman of a Study Group on Brazil formed yesterday in JCS, addressing Brazil's contributions to the U.S.
